

Welcome to our 41st Annual Production Sale

In Previous years we entered our bulls in numerous gain tests and continually were leaders in average daily gain and weight per day of age. We continue to enter our cattle in carcass and gain competitions throughout the United States and consistently top these tests.

Our bulls are being fed a high roughage ration that gives a comparable measurement of their genetic capabilities. We are very conscious of the breeding qualities and soundness needed to have these bulls continue to work for you, our customer.

We thank you for attending our sale and considering our cattle.

Sale Terms

1. Bulls will be sold to the highest bidder.
2. Disputes among bidders will be settled by the auctioneer by re-opening the bidding among the parties involved. If no further bid is received, the buyer shall be the party from whom the auctioneer has accepted the last bid. The auctioneer's decision shall be final.
3. Purchaser's risks begin as soon as the bull is sold. Bulls will be cared for at the seller's expense and the purchaser's risk until May 1, 2025, if desired.
4. Terms of the sales are cash.
5. All Bulls have been examined for fertility and soundness. All guarantees are between seller and buyer and in no instance shall the seller be responsible for more than the purchase price. DeBruycker Charolais shall not be responsible for any guarantees on guest consignment bulls. Any guarantee on these bulls will be between the guest consignor and buyer only.
6. Announcements from the auction block shall take precedence over printed material in the catalog.
7. Certificates of registry will be supplied by the seller to any buyer requesting this on the sale day.
8. Every precaution will be taken to protect the safety of buyers and spectators. However, DeBruycker Charolais Ranch does not assume any responsibility in this matter and disclaims any liability, legal or otherwise, in the event of an accident or loss of property.

As in the past, we are offering free care until May 1, 2025, OR free delivery to Montana and adjoining states. However, each year we have some customers that pick up their bulls on sale day. To be fair to those customers, we are offering \$100.00 per head trucking allowance to anyone picking up their bulls on the day of the sale. This will be paid immediately to the purchaser, by DeBruycker Charolais. **Trucking allowance valid only on accounts paid in full.**

"I have really enjoyed my DeBruycker Charolais bulls. They are very easy keeping cattle that are good to handle. The calves come nicely and really grow. I have been very pleased with the calves my DeBruycker bulls produce."

'DeBruycker bulls do us a heck of a job. They're phenomenal on an angus cow. Good conception, ease of calving. We're totally tickled with the performance we get! We buy 30 bulls a year. There's no other place you can go to get the caliber & volume we get with DeBruycker bulls, it's quality you can not get elsewhere. The family has always been great to us, it's more than just a business deal. That personal contact ya can't beat.'

"I have shopped for Charolais bulls at many other breeders, and I have found DeBruycker bulls to be superior in all areas important to commercial cattlemen. I get better genetic potential purchasing the less expensive bulls at DeBruycker's sale than when I have purchased top bulls from other breeders. DeBruycker bulls are thick, stout, and hard-working. These bulls handle rough country very well. The hold up better than other bulls and their feet stay sound."

Sarver Farms bought our first DeBruycker bulls in 2012 and we have not looked back since! We have a commercial cow/calf operation in southeastern WV that is solely a family operation. Our cows are primarily Angus and Angus X. Since 2012, our calves have shown a very obvious improvement in frame and vigor. Also I can report that there have been less than 1% of calving issues. On average, the DeBruycker calves weigh 50# more at shipping. We have consistently seen these results since 2012. The calves are just amazingly beautiful and strong and have developed quite a group of buyers seeking them out every year. The bulls have been proven breeders that have shown an increase annually with pregnancy testing. They are hardy and have acclimated well to WV. Brett and his family have been the best to deal with and with us, they have Sarver Farms as a customer for life!

“DeBruycker Charolais bulls are simply the best bulls for my bottom line. My DeBruycker sired calves increase my weaning weights every year. The calves also have the genetic package to be the BEST feedlot calves. DeBruycker’s have done an outstanding job creating thick-butted, wide-back bulls that calve well, have good temperaments, and produce top quality, uniform calves. My DeBruycker Charolais sired steer calves weaned at 838 lbs; they outweighed my black steer calves by 100 lbs.”
